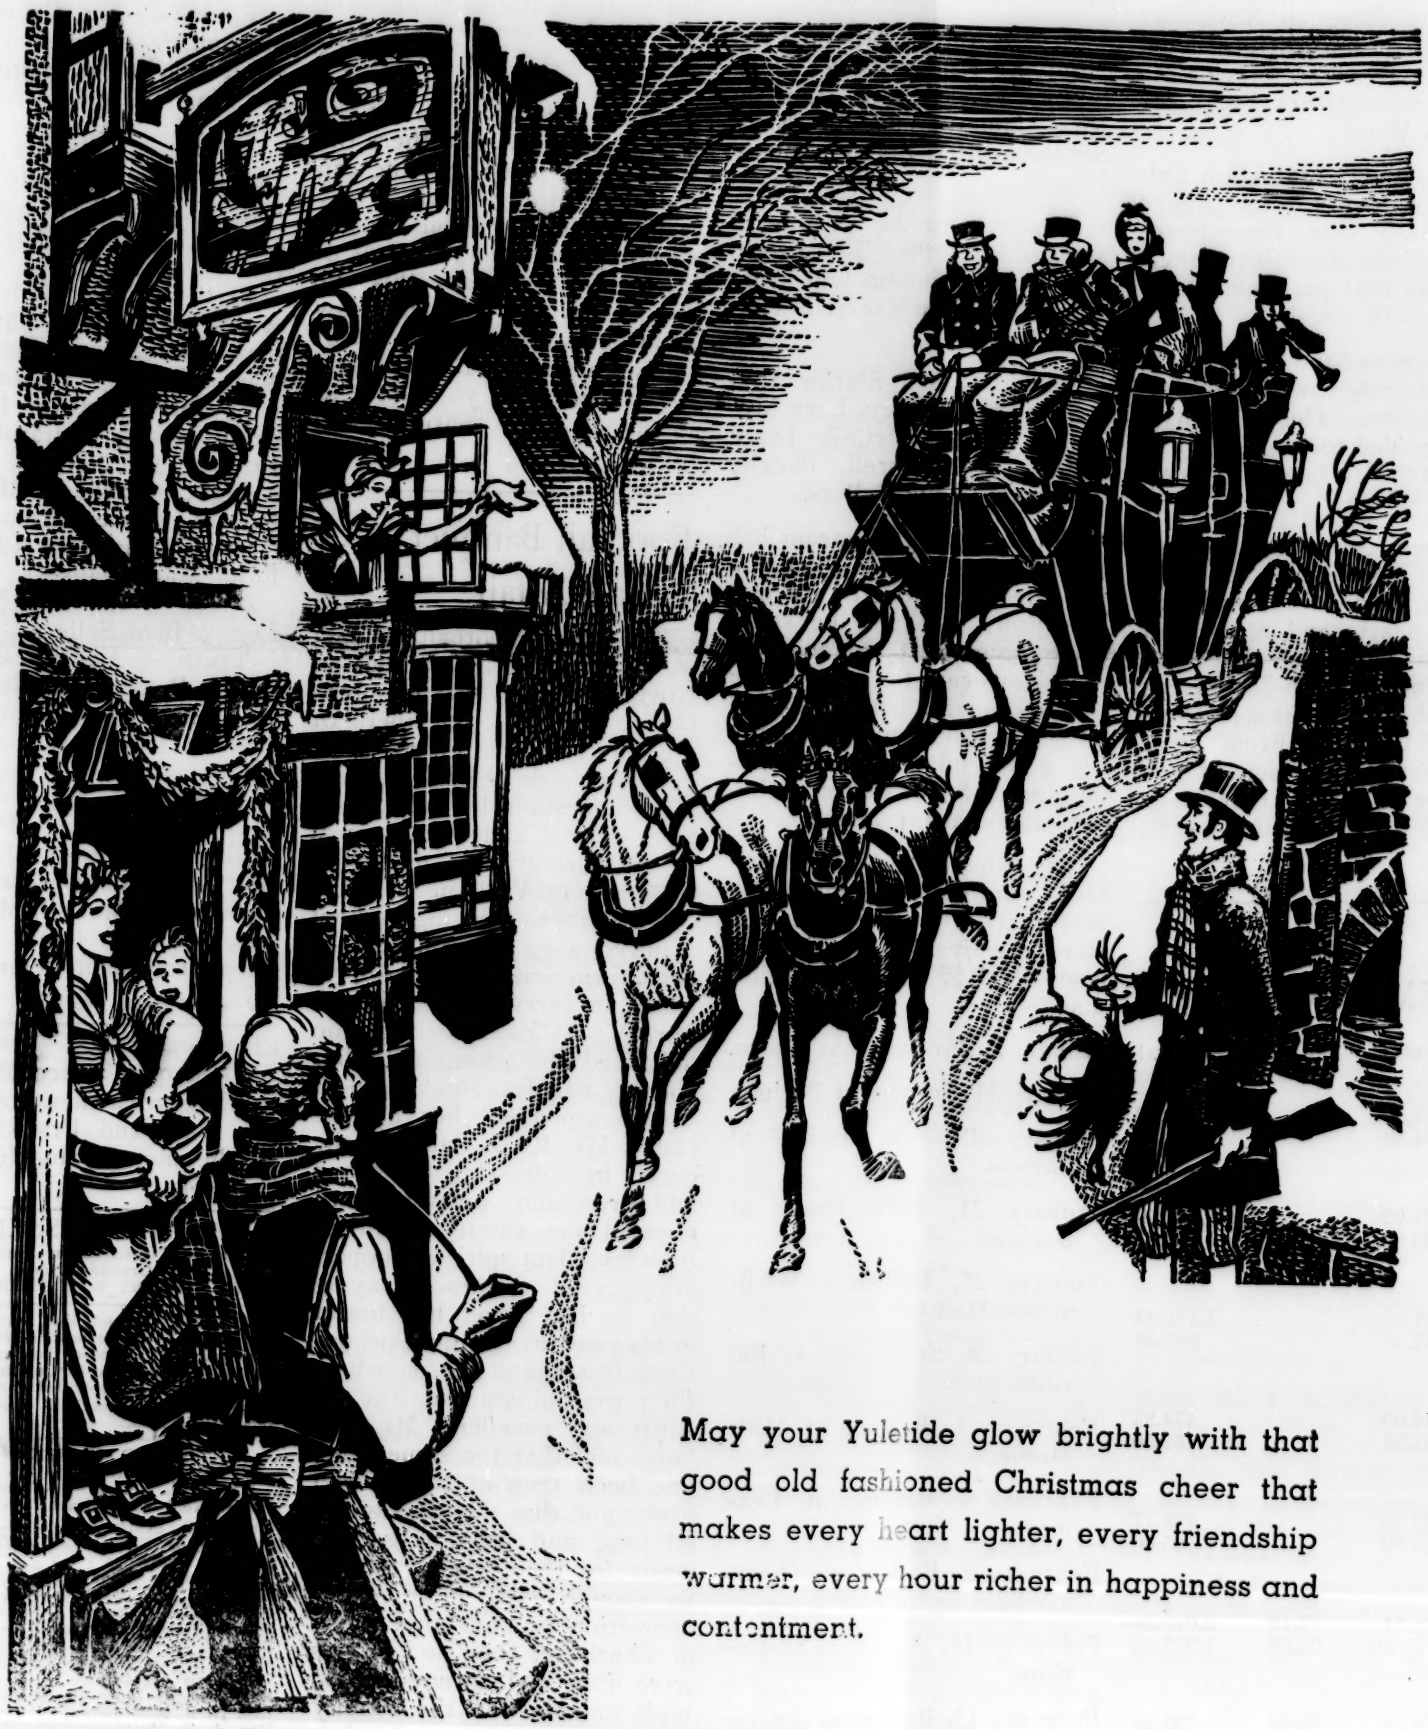
VOL. 33 BARIUM SPRINGS, N. C., DECEMBER 1954 NO. 1

Merry Christmas



May your Yuletide glow brightly with that good old fashioned Christmas cheer that makes every heart lighter, every friendship warmer, every hour richer in happiness and contentment.

Fraternities Give Christmas Party

The twelve fraternities of the College Campus at Davidson invited the first seven grades from Barium Springs down for a Christmas party. The invitation was extended this year by the president of the Fraternity Council, Ronald S. Wilson, Jr., and plans have been made for the visit to the college.

Each Fraternity takes ten or twelve boys and girls and plays host to them for an hour and a half in the fraternity house. Buses are secured for this trip and the children live so excitedly before and after that it is difficult to get them tamed down enough to eat. There is always a great struggle that goes on in the minds of the seventh-graders because they want to grow up but they know that it will be their last time to attend the Christmas party at Davidson, and so there is a real reason to remain in the seventh grade for one more round at the party with the Davidson College students.

One hundred and thirty-two of these children this year will again visit the fraternities and spend a delightful hour and a half with the boys and come home with pleasant memories that will linger on through the years.

THANKSGIVING OFFERING

As this issue goes to press the Thanksgiving Offerings are beginning to arrive. However, it will be late in January before a total accounting can be made.

UNDER THE STEEPLE – Nuggets of News

From Little Joe's Church

By

Robert R. Collins, *Minister*

November was a month of much excitement about the church, and especially the Manse! A new dimension was added to the life of the Manse, a third dimension to be exact, with the birth of Stephen Robert Collins on November 18th. Already we had every cause to be grateful to God during the Thanksgiving season and the arrival of the youngest member in our happy Barium family made our joy complete.

Thanksgiving Day found Little Joe's Church at worship in a special service of praise to Almighty God for His providential care during the past year. As we lifted our hearts and voices to Him we expressed our thanks for every gift you have bestowed upon us in His name. Indeed, "it is a good thing to give thanks unto the Lord."

The warm hospitality of the First Church Salisbury made the visit of our Senior High Fellowship there on November 14th a memorable occasion. Not only were we afforded delicious food for the body, but at the evening hour of worship we were privileged to have Dr. Clarence Mccartney break for us the Bread of life through the spoken Word.

For one of our November programs the Senior High Fellowship sponsored a workshop to make toys for the Negro Nurseries in our General Assembly. As a result three boxes of toys are now ready for shipment as soon as we learn their proper destination. This was a program that particularly appealed to our boys.

Our thoughts were recently turned toward the birth of our Saviour when Mr. and Mrs. A. S. Arnold from Greensboro presented their special Christmas program on "The Nativity". Both young and old found this colorful guided tour of the Holy Land an experience that will cause Christmas to take on a deeper meaning this year.

As the time draws near when we will celebrate the birth of the Christchild, we are bowed down in amazement at length of the love of God. His is the greatest gift, none can be greater. And as we take Christ into our hearts and renew our dedication to Him this Christmas, let us remember that the gift which pleases Him most is for us to show forth His saving love unto others. Whatever we give this Christmas, may we give it in the name and in the spirit of Christ. From Little Joe's Church we send our heartiest greetings to each of you with the prayer that the joy and peace of Christ may abide with you this Christmas and throughout all the coming years.

Squads Drilled In Basketball

Coach A. M. Calhoun has been busy putting the squads of boys and girls through their practices, trying to round out the starting line-ups for the practice games in December. Three practice games for December, two with Hickory and one with Cherryville, give the Coach an opportunity to see what his prospects are for the varsity squads for conference play beginning in January. Candidates who are pushing hard for a first-string berth in the boys' squad are:

Ernest Austin, Mirton Cox, Lawrence Ramey, Boyce Dean Smith, Woodie Smith, Lawton Rice, James Woodall, Ray Smith, Walter Plyler, Ronnie Hudgins.

Prospects for the girls' team are good for the '54 season. The starting line-up will probably come from the following candidates:

Edna Baucom, Shirley Plyler, Delores Ramsey, Lena McLean, Barbara McCall, Joyce Kelly, Joyce Ferrell, Phoebe Cochrane, Nellie Sellers.

The Barium girls' team has been the conference champion for three times out of the last five years and will be striving to continue that good record. However, the conference competition for both boys and girls this year is going to make the going mighty tough during January and February before the season closes.

The schedule calls for fourteen conference games this season with seven of these at Barium. Given herewith is a complete 1955 conference schedule:

January 7, Barium at Asheboro.

January 11, Spencer at Barium.

January 18, Thomasville at Barium.

January 21, Mills Home at Barium.

January 25, Barium at Children's Home.

January 28, Statesville at Barium.

February 1, Barium at Mills Home.

February 4, Barium at Lexington.

February 8, Barium at Thomasvihlle.

February 11, Asheboro at Barium.

February 15, Barium at Statesville.

February 18, Lexington at Barium.

February 22, Barium at Spencer.

February 25, Children's Home at Barium.

High School Boys Attend Shrine Bowl

Good things never cease to come the way of the Barium campus as can be verified by the nearly fifty boys who received an invitation to be guests at the Shrine Bowl Games in Charlotte. A Shriner who invests in boys and their happiness has made this trip possible for the last three years. Each year seems to be better than the year before.

The bus is given a special parking place and the group is greeted by Shriners at the gate, affording tickets for good seats. Then at the lunch hour chicken box lunches are provided for every boy. After the festivities of the game the bus is escorted to the front of the S & W Cafeteria and there the boys going down the line can choose anything that they want to eat and the bill is picked up by the special friends of boys who have made this trip possible. If you want to know what rates high on the list of fall activities at Barium, just ask the boys and you will hear them say "The Shrine Bowl Game."

Football Banquet Is Gala Affair

The annual football banquet was staged in Rumple Hall on November 30th. All members of the staff, the members of the varsity squad and the midget squad, cheer leaders, senior, and other invited guests were served a delicious meal in the beautifully decorated dining room. William A. Hethcox, member of the high school faculty, was toastmaster in rare form with wit and precision in carrying out the affair. Miss Catherine Edgerton delighted the group with her singing as Mrs. Rachel Spencer accompanied her on the piano. Mr. R. G. Calhoun, the coach, in addressing the group and presenting awards, commended the varsity squad for their excellent spirit of cooperation and diligence, saying that he had never had better in his years at Barium Springs. Even in a tough season where their win column was low the spirit was excellent. Mr. Calhoun said that the same thing had been true of the midget group and that they had worked long and hard in getting ready for their games and even though they faced heavy opposition in their first game in Charlotte, their efforts were fine and forecast good replacements for the varsity when they reach that level.

Letters were awarded to the following men:

Leroy Norman, Frank Smith, Woody Smith, Charles Creech, Jim Campbell, Ernest Austin, Clayton Miller, Ralph Joyner, Ray Smith, James Woodall, Lawton Rice, Ronnie Hudgins, Charles Ward.

The squad voted Ronnie Hudgins permanent captain of the team and Frankie Smith as the most valuable player for 1954.

Christmas Holiday Plans Completed

Christmas time for the big family at Barium holds many interesting and delightful events. Although school does not close until December 23rd, the Christmas festivities will be underway much earlier.

On Monday, December 13, the first through the seventh grades will visit Davidson College to be entertained by the fraternities in the fraternity houses. Sunday, December 19, will bring the regular services of worship using the Christmas theme in the Church School, in the Morning Church Worship, and in the Vesper program of the Young People. Tuesday night, the 21st, is "Family Night." This occasion really opens the Christmas season on the campus. All of the members of the staff and the children of the Home gather in the large dining room for supper and the decorating of the Christmas Tree and the lighting of it after the gifts by each person has been made. This offering is the Christmas gift of the Barium family and this year will go to the N. C. State Hospital at Morganton to assist the chaplain in providing Christmas for many who would not have it. Wednesday night, December 22nd, the Senior High Fellowship Christmas pageant will be given. Christmas Eve will see the last rush before the dawning of Christmas Day, which will be filled with the pleasures of Christmas Day plus the joy of the worship of the Saviour in a service under the leadership of the minister of the church. After the opening of the packages found under the Christmas Tree, the rest of the morning will be given over to Open House where everyone is invited to visit the other cottages to see what Christmas has brought to each child.

The big bell at noon will call everybody together for Christmas dinner and the afternoon will be spent in trying out all the new basketballs in the gymnasium with everybody trying to get a shot at the goal at the same time.

So, with Christmas services, with parties, with recreation, with Christmas trees, with the lighted candles and the decorated trees, Christmas packages, the visits of some of the members of the families of the children, the returning of the alumni, and the visits to the campus of the college students, all in all makes for a wonderfully busy and happy time. The entire staff at Barium Springs foregoes their regular time off and devotes the whole of the Christmas season to making Barium Springs as happy and as homelike as it is possible to do so.
